Dear Mayfair,

Hi, I'm Natalie. I'm 23, with long brown hair, and an attractive, curvy figure. Last week, I was working late at the office along with John. Though he was a bit of a hunk, he was very much the strong, silent type and kept to himself.

Anyway, while John was off on a break, I needed to retrieve some files from a high shelf. Of all the times to return, John came back just as I was halfway up the ladder.

"Mind how you go, Natalie," he said when he saw me. He offered to hold the ladder for me and, before I could say anything, he was doing just that. I could sense his gaze on my smooth, tanned bare legs and that got me really horny.

"I reckon you just want to see up my skirt, John!" I said, saucily. Looking down at him, he'd turned bright red and I could see quite a bulge developing in his trousers.

Smirking, I told him he could have a closer look and feel me up if he liked.

The dirty bastard didn't need telling twice. He ran his hands up the backs of my firm thighs and caressed my bum cheeks, rolling my short, navy blue skirt up around my waist in the process. Yanking the gusset of my white panties to one side, John touched up my exposed, hot, pink pus-sy and worked a finger inside my tight hole. His expert fingering brought me to a juicy climax.

Helping me down, he quickly unbuttoned my white blouse. Pulling my bra down, he cupped my breasts in his hands. My body tingled and I sighed with delight as he sucked and licked my erect, pink nipples. Treating me like a naughty girl, he turned me round and bent me over the desk. My knickers were now around my ankles as I pushed my firm bum in the air and spread my legs wide. He unzipped his trousers and I felt the swollen head of his cock push against my pus-sy lips. I moaned as he drove his thick shaft all the way up my hole, stretching my pussy walls to their very limits as he fucked me roughly.

Reaching between my legs, he stroked my clit as he pulled me back hard onto his solid cock. "Ahh, Jesus, fuck!" I screamed as he made me come. Wave after wave of orgasms jolted my body. Just as I anticipated his hot spunk shooting up my pussy, he suddenly pulled out.

"Suck my cock, Natalie, you filthy little slut," ordered John.

"Make me come all over your face, you little whore," he added. As my orgasm subsided, I turned to face him. Kneeling on the floor in front of him, I saw for the first time his big, hard, throbbing cock, which had given me such a thrilling fuck. Like most girls when confronted by a big cock, I played with it for a time, stroking it, exploring its length.

I wrapped my hand around his impressive manhood and gently wanked him off, squeezing his heavy balls as I tugged at his dick. He gasped as I licked up and down his tasty cock and swirled my tongue around its bulbous, purple helmet. "Take it in your mouth, Natalie," pleaded John.

Smiling up at him, I clamped my lips around his throbbing member and took his length all the way to the back of my throat. He ran his hands through my hair as my head bobbed back and forth. I eagerly sucked his cock, wanking the base of his prick while I pumped my lips up and down its helmet. Suddenly, and without warning, I felt his cock twitch and my mouth filled with a full load of his hot, salty, white spunk. "Good girl, Natalie," gasped John. I licked his prick clean, milking it for all the come I could get.

It was a tremendous shagging session – a quick, dirty fuck – and one of my best ever. John proved the old theory true – it really is the quiet ones you need to watch. I just can't wait until the next time we're working late together...

Dear Mayfair,

You're completely right, Jasmine is the complete package, and I love the fact that she loves to take charge when it comes to things in the bedroom. The thought of her dominating me gets me so horny. I'm not sure if she's into things like tying men up and straddling them until they explode inside her is her sort of thing, but I hope it is!

Adam, Liverpool.

Dear Mayfair,

I've just got back from holiday and reckon I've set a record! I was out in Spain for a week and I fucked 11 birds!

On the first night there I shagged a girl I met on the plane on the way over in the bogs at the airport. Then the next day I banged one of the tour operator birds – well, you got to, don't you? She was well fit and had a fuck off pair of tits on her. And she gave one of the best blow jobs I've ever had.

But the best was night 2. I met this girl in a boozer, Mandy, she had long bleach blonde hair and looked like she was in pop group or something. I didn't even have to try with her, she told me almost as soon as I said hello to her that she was going to fuck me. So after a few drinks we went back to her room and got down to it. But while I was eating her out, a couple of her ma-tes walked into the room, Claire and Hayleigh. They laughed their heads off and then

Dear Mayfair,

I'm a huge fan of Amber Jayne, so you can only imagine how excited I was to see her last month in the magazine. Seeing the photos of her covering her breasts with soap (that looked like spunk) was the highlight of the magazine, until I turned the page and saw her sucking off a dildo with a suction pad attached to the end of it. I would do anything to see her bent over and fucking herself from behind with it attached to the wall!

Corey, Cornwall.

asked Mandy if they could get their pussies eaten too.

She was all for it and so her two mates lay down on the bed next to her, with their cunts glis-tening in front of me. I went down on all three of them, fingering the other two while I was at it and they obliged by taking it in turns to suck my dick.

And as if that wasn't enough, once I'd got their cunts all nice and wet and they'd all had a taste of my cock, they started copping off with each other! They were snogging and fingering each other, playing with each other's tits, just trying to make each other come. The sight of all three of them on the bed in a triangle, licking each other's cunts, is something I shall be wanking about for the rest of my life!

To finish, I shagged Mandy from behind while she straddled Claire's face. Claire did the right thing, licking Mandy's clit and

"I told her to suck me hard and fast because I wanted to come, and then, when I was ready, I spunked all over the dildo and told her to fuck herself with that."

kissing my balls as she was eaten out by Mandy. Even better, Hayleigh knelt beside me, stuffing her tongue into my mouth and guiding my dick into Claire's gob or Mandy's cunt, depending on which hole I told her I wanted to be in.

The dirty birds were all up for me coming all over their faces and they lined up next to each other to get a shower of spunk. Then they licked it off each other's faces and Mandy sucked it out of her friend's mouths before swallowing the lot. I bet none of your readers have fucked 11 birds in one week on holiday, and I bet none of them have ever fucked three birds at the same time!

Dear Mayfair,

I've loved reading about some of your readers' stories, so I thought I'd tell you about mine!

I met this woman in the bar at Euston station. I was only in there because the trains were delayed and I thought I'd get a pint in rather than stand staring at the monitors on the concourse.

She was at the bar, drinking a mixer, alone. As I ordered a pint she turned to me and spoke, I forget exactly what it was she said, but soon we were deep in conversation and it was obvious she was talking to me for one reason only. Sex.

I never made my train, instead we found a hotel and took a room. Her name was Arabella. She was 6 feet tall (I'm only 5'8") with long, wavy, light brown hair and steely grey eyes. Once inside the room, she undressed like she was getting ready for bed, stripping down to her peach, silk underwear. Her body excited me and I watched her undressing closely.

When she was ready, she turned to me and asked me why I was still clothed. Then she helped me out of my suit, finishing by kneeling in front of me and pulling down my jockeys. My dick sprung up at her face, every inch of it lusting for her.

She started to suck noisily on my dick, slurping on it and slathering her saliva all over it. Then she pushed my helmet inside her cheek, making it bulge out the side of her face.

I was ready to cover her in my come and I didn't care, so I unloaded great wads of spunk into her mouth and the horny beauty swallowed it all without batting an eyelid.

When her appetite was satisfied, she went over to the bed and lay back on it, rubbing her pussy through her silk drawers. "Now, how are we going to get you hard again so you can fuck me with that big prick of yours?" she said. I told her that watching her finger herself would

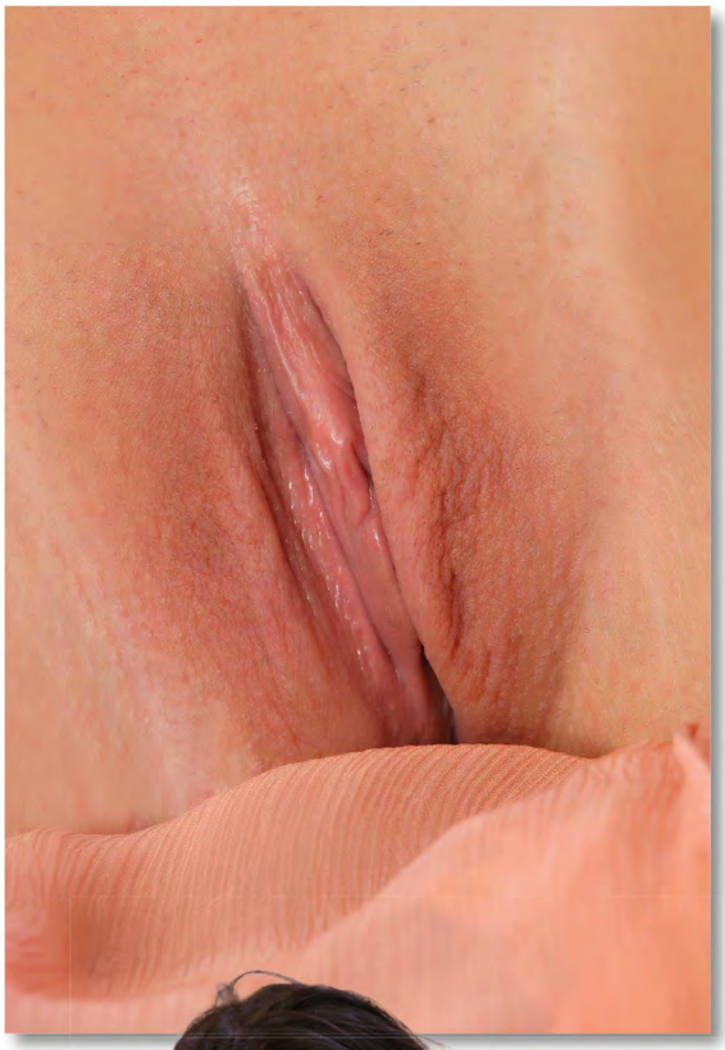
Emma Green



A visit to the office from Emma Green definitely separates the men from the boys. If we know in advance, everyone seems to dress that bit smarter and some of the team actually comb their hair. If it's a surprise, then they'll quickly close down the incredibly nerdy computer game they're playing when they should be working and load up some intellectual website. Emma, of course, isn't there to check out the team's web browsing history (which doesn't make pretty reading!), she's there to do what she does best: take her clothes off, get wet in the process and make all our – and your – cocks go a little bit stiffer. Job done.

have my cock hard in no time. She smiled and took off her panties.

Her pussy was bald, freshly shaven, her labia dark and pouting. She took two fingers and parted her cunny, flashing her bright pink slit. She was very wet and her toying with her cunt spread her juices over her shaven mound and down her thighs.

Unable to resist, I knelt between her thighs and lapped at her cunt and she stroked my hair and rubbed her clitoris as I dipped my tongue inside her.

She used her foot to test my cock, running a toe along my length to gauge my hardness and when she discovered I was ready she pulled me up and took hold of my cock. "Now, why don't you take this thick rod of yours and fuck my wet pussy?" she whispered, looking deep into my eyes.

I began to pump my hard cock into her snatch, she was very tight. She wrapped her legs around my hips, pulling me into her with her feet while with one hand she rubbed at her own clit.

Her eyes never left mine, they pierced me, turned me on more than anything she did or said, and before long I couldn't help but pull out and cover her in semen, blasting another hot load over her stomach, tits and pussy.

This only served to turn her on and she frantically rubbed her clit, smearing my come all over her button until she had screamed her orgasm through clenched teeth.

We lay together on the bed, my cock softening, my come being rubbed casually into Arabella's nipples.

"So you get turned-on watching girls finger themselves?" she asked, a mischievous look on her face. She got up on the bed, on hands and knees and began to toy with her anus, rubbing her juices and my spunk around her ring. "Does this turn you on?" she said, looking at me over her shoulder, then she pushed a finger up her arschole.

I was hard in seconds and came in behind her. Taking her finger out, she reached for my cock and guided me into her tight arse. When I began to fuck her steadily, she started to mewl and moan. I reached down and played with her cunt, the two of us toying with her.

When she came, she told me to come inside her and I let fly one more time, filling her with what was left of my hot seed. Watching her toy with my spunk as it dribbled out of her hole, licking it from her fingers, would have made me wank furiously if my cock hadn't ached so much. But thanks to the memory of that night I've made up for it many times since!

Dear Mayfair,

A big high five to all of you over there at Mayfair, you really pulled it out of the bag with Tommie Jo and Stacey in the last issue of Mayfair! They're both as sexy as hell, and as a guy that loves going down on women for hours on end, I'd love to have Tommie Jo sit on my face so that I could feast on her butterfly themed pussy while Stacey sucks me off. That would be a dream cum true!

Bryan, Winchester.

Dear Mayfair,

For the past few weeks, my missus has been badgering me to get a dildo. I don't get it; what's the problem, I ask her. It's like she's not happy with my cock. Basically, I was worried she would start using her dildo instead of coming to me whenever she wanted a length up her.

So, I refused, and then a few nights ago I came home from the boozer and found her in the bed-room with a large, silver vibrator jammed up her cunt! She was so busy fucking herself that she didn't notice me come in. At first, I was well pissed off, but instead of saying something, I watched.

I'd never seen her wanking before, so the sight of her with a huge dildo up her soaking wet cunt made me get a hard-on despite myself.

My dick got so hard I took it out of my trousers and started to slowly wank myself off. I walked slowly into the room until I was practically next to her.

I wanked my dick at her face, hoping she would open her eyes and see me and start sucking my cock but expecting her to jump out of her skin. She did both! She screamed like a girl when I whispered 'How about a real one?' and then immediately took my cock in her hand and wanked it into her open mouth.

I reached down and took the dildo off her and rubbed it round her nipples till they were rock hard. Then I had an idea. I told her to suck me hard and fast because I wanted to come, and then, when I was ready, I spunked all over the dildo and told her to fuck herself with that.

I watched her stuff my spunk up her cunt until I'd revived my dick and then I finished her off with the real, multi-speed, thing. These dildos, they're a lot of fucking fun!

Tiffany

A whiff of Tiff and any man would succumb to the allure that surrounds her, giving themselves over to the zero gravity effect the Brighton bombshell creates. But Tiffany James does come with a warning sticker as there's a lot to handle, from her sizable F-cups, too hot to trot legs, full lips, and the lass can really handle her meat from what we've seen too. She's a dream come true for any man!

Emma Leigh

Here's a cheeky one with Emma Leigh appearing in this month's issue of Mayfair. And yes, we saw you make a move towards your inside leg, which is exactly what we did after gazing upon these BB Media snaps. Now, we have a little confession to make over here at the offices. We have to admit that Emma's bounty hasn't blessed the pages of Mayfair before, although she's certainly spread herself over the pages of our other magazines! We tried to work out how this travesty had occurred, but seeing as all our blood had rushed elsewhere our brains where a little dumbfounded, as I'm sure yours is right now. Enjoy!

A teacher is teaching her students good manners and asked her class the following question. "If you were on a date having dinner with a nice young lady how would you tell her you have to go to the bathroom?" Michael said "I'm sorry but I really need to go to the toilet to pee, I'll be right back." The teacher said "that is impolite, toilet is not a nice word to use at a dinner table." Little Johnny put his hand up and said "I would say, Darling may I please be excused for a moment, I have to shake hands with a very dear friend of mine who I hope to introduce you to after dinner."

Amber Starr

Christmas is always our favourite time of the year! "I think there's a saying 'Christmas always comes once a year', that seems to happen when I hook up with a guy, they always seem to be cumming in no time at all, and then they're all done. Here's a little tip for the men out there, when I pull my legs back behind my shoulders that's an invitation for you to use your tongue, mouth and fingers and have a field day with my snatch. And when I give you the go ahead, you can pop your cock up there and we'll both have a great 30 seconds together, it's really that simple!"

Patricia Hayes

Strange as it may seem for a girl with her pretty face and stunning 38-24-36 figure, Patricia Hayes complains that she doesn't meet enough men.

"There is a distinct lack of males in my life," she confided. 'For a start the boutique where I work is so expensive that the only people we see there are women with wealthy husbands or fathers. The by the time I get home in the evening I'm so exhausted after being on my feet all day I'm too tired to go out nightclubbing. I feel like an old spinster.' But our sexy 21-year-old is not the type of girl to be unattached for very long, we suspect!

Patricia, who lives and works in a rather exclusive part of Kensington, is not shy and retiring when it comes to a good-looking man. 'I do tend to shock some of my friends at the health club because I believe it's perfectly natural for a girl to chat up a chap! I must admit I can't resist a pert bottom on a man, and I have been known to open the batting, so to speak.' She and a recent boyfriend parted company after a disastrous weekend in the country. 'We were visiting friends of mine in Sussex and he disgraced me by being violently ill after drinking far too much port. He had a go.'

At the weekends and on her days off Patricia likes to work out in a gym or relax in a sauna. 'I do think it is very important to look after one's body, especially in my case where I have a terrible weakness for those delicious cream cakes they serve at the Waldorf.' With the whole of Sunday to recover before another week at the boutique, Patricia enjoys a Saturday night on the tiles. 'I like to start off with a few cocktails at Rumours before going somewhere nice for dinner. Then it's always on to Stringfellows for a bop.' The morning after usually finds her feeling rather fragile, so she can invariably be found getting some fresh air in Kensington Gardens. 'But if you recognise me, don't speak too loudly.'

"That's not the photo-copier Colin – it's the shredder!"

Zara Mae

Some girls really can't get enough of big fat cocks, and Zara Mae is no exception to the rule! "I've got an extensive collection of big dildos, the bigger they are the better, I can't get enough of them. But being fucked by a random guy with a giant dong is the best feeling in the world, you can't beat the feeling of the warmth of my pussy being filled with hot cum, and then the sensation of it running down my thighs when I lift myself off his pulsating cock!"

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

On our last Christmas holiday, my boyfriend and I shared a large ski cabin with three other couples who are all good friends. One day, he went boarding with all the blokes and one of the girls. It was too advanced for me, so I said I'd stick to the easy runs with the two remaining girls, Amy and Kara.

That was the intention, but Amy didn't want to leave her bed. Kara and I tried to persuade her to get up, attacking her with pillows. Then Kara grabbed the covers and pulled them right off the bed.

Amy was naked under them. She didn't try to cover up again, just lay there, showing off a very sexy body, daring us to make our next move.

Kara walked out the room, only to return with a bottle of flavoured vodka straight from the freezer.

"Fuck skiing!" she said, cracking it open before getting into the bed. Amy insisted it was a 'naked bed,' so Kara undressed, as did I before joining them.

There was a lot of giggling and we drank a few shots, then Kara and Amy started getting off with each other. Amy moaned as I nuzzled her neck and ran my hand slowly down her back.

I caressed her cheeks, then explored her crack, my fingers meeting Kara's on her clit. So, I dipped them in her hole, fucking them in and out like a cock. Now Kara had her mouth on Amy's tit and I leaned over her body to suck the other. Amy was yelping with pleasure so Kara put a couple of wet fingers in her mouth to suck on.

Amy was grinding against us both, but then she spit out the fingers and asked me to eat her out. We moved around so she was on top of Kara in a sixty-nine, bum tilted upward, ready for me.

I started out with her twat, while Kara fingered her clit. She tasted good but I had an idea. I grabbed the vodka and poured a thin stream of it over her arsehole, running it down over her slit. I jabbed my tongue in and out of her, then moved upward, licking her bumhole as I dripped on a little more vodka.

"She handed the dildo to Amy, then got over my face. Amy thrust the dildo into me, then it all went dark as Kara dropped her juicy, scented fanny onto my mouth."

She was tight yet soft around my tongue tip – I even got a touch of cock envy, wishing I had one to glide up that silky arse!

Instead, I used my fingers and smeared vodka on her clit this time, giving Kara a little shot before lowering my own head to kiss her.

Amy was already cumming, streaming with her own natural liquor, so we sucked and probed till she dead weighted over Kara's body, a mass of sweat and quivering in every muscle.

Kara mimed a blowjob with the vodka bottle, but I had something better to suck on. Usually my boyfriend will get back from the slopes feeling horny – he'll pull me into the shower for a fuck. But I've learned to pack a few toys just in case he's too exhausted to fuck me!

I got my dildo and vibrator from my room, and let Kara get her lips around the latex. I switched on the vibe and began to use it on my clit, and Amy asked for it. "You've only just cum!" said Kara, but Amy didn't want it for herself – she laid me down and began to work it all over my cunt. A few hard, ploughing thrusts seemed to prime my clit for more sensation, as she turned it up to max speed and held it to my button.

"Fuck..." said Kara, watching as I flailed around on the bed, totally out of control. She handed the dildo to Amy, then got over my face. Amy thrust the dildo into me, then it all went dark as Kara dropped her juicy, scented fanny onto my mouth.

She was frigging her clit hard, so turned on by our girlfriend fucking the hell out of me. A stream of sticky cum juices ran down my throat. Then she kneaded my tits, pinching my nipples, and it all seemed to hit at once – my body convulsed and I screamed into her slit as I came the hardest I ever have.

My boyfriend came back looking like some kind of snowbeast, pumped with adrenaline and ready to fuck me. He noticed the well-fucked state of my twat and asked if I'd been masturbating, which is when I remembered I'd left my toys in Amy's room! I waited till the next morning to retrieve them, and by the smell and taste of pussy on them, they'd been creatively used!

As an architect, I have an eye for visual harmony, which is what first attracted me to these two girls who complemented each other to perfection. Mary the sultry brunette, Alice the nubile blonde; a pair of architecture students enthusiastic for the shock of the new. They'd gratefully accepted my offer of a private tour of my recently completed masterwork, Falling Sky – so called because this high-tech clifftop habitat enjoyed a vertiginous view of the sea.

As I watched Mary and Alice interface with the minimalist environment, I imagined their gasps of awe becoming moans of pleasure; deep groans of animal lust echoing around the stark expanses of my creation. I'd made the house such a clinically sterile environment that I could easily smell the perfume that barely masked the girls' feminine odour. I know cunt when I smell it!

I shared a few drinks with the ladies before showing them the bedroom. They got the idea right away. The room was lined with mirrors, like some kind of ultra modernist funhouse. "It must be great to sleep in a room like this. Oooh, think of the dreams you'd have," observed the brunette, while I made a mental note of the way the blonde's short skirt intersected the linear flow of her thighs, imagining what lightweight material might encase her pubis.

"In my creations, dreams become real life," I said, quoting my own

publicity.

"Of course, a house is not a home until you've made love in it..."

"Welcome home, then," purred Mary as she proceeded to remove her blouse, displaying the upholstery of her uplift bra. "Kiss me!" she demanded. As I devoured her ruby red lips, her wandering hand found my hard-on. She unzipped my trousers and dropped to her knees.

"Watch me suck it in the mirror," she panted before sliding those sweet lips over my helmet.

I glanced over at Alice, and saw that her skirt had ridden up her thighs. She was fingering her twat. "Alice, I want to eat your pussy," I said as I watched myself grab Mary by the hair and fuck her face. "Keep sucking it," I groaned, just as I shot my spunk over her tongue.

"We like an audience," Mary smirked, my jizz dribbling down her chin. Then she joined Alice on the bed, and I watched them, up close, as their bodies entwined, mouth-to-mouth, bosom pressed against bosom, cunt on cunt. Gradually they removed each other's clothes, and I saw Mary's plump buttocks descend on Alice's cute face, as Alice spread her own thighs ready for Mary's tongue to probe the delta of her pink chevron. I watched them gasp and groan until their orgasmic juices were saturating the bedsheets.

My cock was hard again. I was ready to punctuate their organic compositional rhythms with my vertical shaft.

Kneeling on the bed between Alice's spread-eagled thighs, Mary proved receptive to my aim, gasping, "Fuck me!"

I didn't need asking twice. I grabbed her hips and slammed my stiffie into her snatch, which felt nice and tight. I banged away until she was whimpering, and then I withdrew and stuffed my dick straight into Alice's waiting mouth. The blonde sucked me off while frigging herself to the brink of climax. Then I switched holes, falling on her like some collapsing building. She flung her legs over my shoulders as my piledriver excavated the depths.

"Eat me," Alice pleaded as the first waves of her climax subsided. I lay back on the bed as she lowered her clam onto my face, while Mary slid her twat down my pole. The two babes, impaled on cock and tongue, fell into each other's arms.

Everywhere I looked all I could see and smell was cunt. Cunt of blonde, brunette cunt; tight, wet cunt. Then I slipped my cream-coated cock out of Mary's pussy and back into Alice's mouth, and, lubed with her spit, slid once more back into Mary until Alice took my greasy meat in hand, and I began to spunk like a fountainhead.

Wad after wad of my jizz flew into the air, then fell down onto Mary's arse and Alice's tits. And then the two pilgrims licked my seed from each other's flesh; a fitting homage to my mastery.

"I banged away until she was whimpering, and then I withdrew and stuffed my dick straight into Alice's waiting mouth."

Call I'm a rampant lipstick lesbian who just loves any opportunity to try some fresh pussy. My live-in girlfriend works nights, which is usually when I'm at my most horny, so I'm very lucky that she's cool with me trying out other pussy while she's away. In fact, it really turns her on to hear of my naughty adventures, then re-enact them with me the next day! So I get twice the fun – but then I always was a greedy girl!

One particularly sultry night I was cruising a local lesbian bar looking for a pick-up. I'm really into being feminine, and love my girls that way too. And I soon spotted this sweet-looking blonde who was just how I like them, and really made my pussy throb.

She had cropped blonde hair and a really pouty full red mouth, biggish tits and a great firm, round bum. "She'll do nicely," I thought.

My big come-on to this blonde called Anna started with me following her into the toilet, where there was already some interesting action going on in some of the cubicles. She'd been giving me the eye across the bar, so I figured she wouldn't mind me following her into a cubicle to get better acquainted. At first she looked a bit surprised, but then she grinned as she pushed the door shut behind me, and we got friendly for a while. Yes – friendly in that way!

Anna had great tits, and her nipples were really hard when I sucked

them, but I wanted to enjoy this babe properly in the comfort of my flat. So what if my girlfriend came back early – we'd just turn it into a threesome! Besides, I had some great sex toys I wanted to try out on this lovely lady!

Back at mine, we didn't waste any time. In fact we were so turned on we never even made it to the bed, but stayed writhing around on the sofa. We quickly got naked and I got a great eyeful (and mouthful) of Anna's juicy bobbs before getting into a 69 position – my favourite!

My cunt was dripping in anticipation, and while I buried my face in Anna's close-cropped creamy snatch, she was hungrily tonguing my slick, swelling gash.

We were both moaning in pleasure and grinding into each other. There was only one thing we needed now, and that was some firm dildo thrusting! I rustled up some of my favourite twat tools, letting Anna have the first go wearing the strap on with the double-ended jelly dildo.

Lying back on the sofa, I let her straddle me, pumping one end of the dildo rhythmically into my sopping cunt as the rest of it disappeared into her slippery love box. Believe me, it didn't take me long to reach a shuddering climax, or her – but of course I was soon hungry for more!

When it was my turn with the strap on, I buckled it on – this time with my super-fat, realistic ten-inch prick dildo – complete with balls! I wanted to give this girl the ride of her life. First I was on top of Anna, giving her every fat inch of that monster dick, and, boy, did she love it!

"You've done this before!" she panted as I kept up the pace, every now and then throwing in some fancy pelvic wriggling.

"Yes, so enjoy every inch," I replied before we swapped positions, and she rode me cowgirl-style to seventh heaven, while I squeezed those magnificent tits.

I guess I wasn't the only greedy girl, because it didn't stop there. We wanted another climax each at least before the night was through!

Next up, I was fingering Anna's juicy pussy and licking her tight little arsehole as she wriggled her bum in my face, all in preparation for my next toy – an anal vibe. First I eased it into her soaking snatch so the juices lubed it up ready for her cute bumhole. Anna begged me to fuck her arse, so I worked the vibrator easily into her puckered sphincter, which tightened around it.

As I upped the tempo, she groaned in pleasure while rubbing her clit, so I helped out with my tongue. She came, smearing her honeyed juices all over my face, and I took the opportunity to kiss her gorgeous mouth so she could taste the girl-cum too.

This time I didn't need any toys to get me off. The two of us climaxed together, rubbing our deliciously wet cunts against each other in juicy orgasm. This blonde's so good, I'm definitely suggesting a threesome next time!

Olivia

This is Olivia's third appearance in Mayfair, and we can only apologise that she's not featured more times! The sultry stunner hails from Derby, and is living proof that the town has a lot more to offer the world than a variety of scone! She's been plying her trade on a couple of saucy TV channels (as well as appearing on a BBC3 show about webcam girls) but she's joined the major league now and no mistake! Isn't she quite the peach?!
